

REMARKS

This Amendment is submitted in response to the Office Action which stated that the identifier for claim 1 was mislabeled. The claim 1 status identifier is now corrected. It is requested that the Examiner now consider this list of claim amendments in conjunction with the Remarks/rebuttal arguments that were submitted in the Amendment mailed August 1, 2008.

In view of the claim amendments and the arguments presented in the August 1, 2008 Amendment submission, Applicants submit that all pending claims are in condition for allowance and request that all claims be allowed. The Examiner is invited to contact the undersigned should he believe that this would expedite prosecution of this application. It is believed that no fee is required. The Commissioner is authorized to charge any deficiency or credit any overpayment to Deposit Account No. 13-2165.

Respectfully submitted,

Dated: November 12, 2008
